SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

2008-09 was a year of continued high achievement and academic success for Lakewood Elementary School. Instructional strategies instrumental in reaching our goals include focus lessons, common planning time across grade levels, MAP testing with diagnostic study, instructional monitoring with regular administrative classroom visits, and interventions by Coastal Carolina University students with identified at-risk students. Our PTA and volunteers continue to provide dedicated personalized assistance to our students as well as funding support for instructional resources. Lakewood has a very active volunteer program whose members work one-on-one or in small groups with students on literacy and numeracy. The school improvement council is an integral part of ensuring that we meet our mission and goals. We are proud of many programs, initiatives, and achievements earned this past year. Lakewood was again recognized by the S.C. Education Oversight Committee as a school that is Closing the Gap for historically underachieving student groups. We were a repeat recipient of the Gold Award for Academic Performance by the State Department of Education. Our school remains a recognized Red Carpet School. Lakewood also is a featured school in the state sponsored Palmetto Gold Awards Showcase. Lakewood was a grand prizewinner of the Horry County Solid Waste Authority recycling initiative and was also honored at a Partnership Celebration Luncheon recognizing our school as an outdoor education partner in conjunction with The Clemson University Youth Learning Institute. Lakewood has a major renovation and new construction-building program. Once complete, our school will have an enrollment capacity of 1,050 students! Lakewood Elementary School is committed to academic excellence and involves parents and community members in the decision making through an active PTA and School Improvement Council. Data analysis, diagnostic testing, and instructional best practices provide the necessary ingredients to keep Lakewood growing academically. The Lakewood Family enthusiastically celebrates each child's progress on the continuum of learning! Tom Rex, Principal Wendy Lane; School Improvement Council Chairperson
